

IIRS - NESAC Outreach Programme

On

Remote Sensing and GIS-Technological Advances and Applications

SI No.	Course Name	From	To
1	<i>Remote Sensing and GIS Technological Advances and Applications</i>	29 April 2019	10 May 2019
Date	Time	Title	Faculty
29/04/2019	1130-1300 hrs	Basics of Remote Sensing	Ms. Manu Mehta
30/04/2019	1130-1300 hrs	Geographic Information System	Shri PLN Raju , NESAC
01/05/2019	1130-1300 hrs	Basics of Digital Image Processing	Dr. Poonam S Tiwari IIRS
02/05/2019	1130-1300 hrs	Global Navigation Satellite System	Er. Ashutosh Bhardwaj. IIRS
03/05/2019	1130-1300 hrs	Web & Mobile GIS– Technology & Applications	Shri Kamal Pandey , IIRS
06/05/2019	1130-1300 hrs	Geoweb services and governance applications	Dr. Harish Karnatak, IIRS
07/05/2019	1130-1300 hrs	Remote Sensing Applications for Agriculture and Forestry	Dr. Bijoy K Handique (Agriculture) Dr. KK Sarma (Forestry)
08/05/2019	1130-1300 hrs	Remote Sensing Applications in Earth Science and Water Resources	Dr. (Mrs.) K Bhusan (Earth Science) Dr. D Barman (Water Resource)
09/05/2019	1130-1300 hrs	Remote Sensing for Urban & Societal Applications and Unmanned Aerial Vehicle Applications	Dr. Jenita MN (Urban & Societal) Shri PLN Raju (UAV)
10/05/2019	1130-1300 hrs	Remote Sensing for Space and Atmospheric Sciences	Dr. Arup Borgohain
