

1st NESAC JRF Eligibility Test (N-JET)

North Eastern Space Applications Centre (NESAC) is an autonomous body set up under the joint initiative of Department of Space (DOS) and the North Eastern Council (NEC). The main function of the Centre is to provide developmental support to the North Eastern Region (NER) of our country using space science and technology. From time to time, NESAC had been recruiting Junior Research Fellows (JRFs) under several national and state level projects in various stream.

About N-JET: NE-SAC is conducting for first time NESAC JRF Eligibility Test (N-JET) which is an aptitude test for taking up research in the area of either Remote Sensing (RS) and Geographic Information System (GIS) or in the area of Atmospheric Science. The test is open to all candidates having M. Sc. degree and not qualified NET/GATE or equivalent examination in their respective fields to become eligible for applying for JRF positions at NESAC. Students with B.Tech are not eligible to appear for N-JET. N-JET is merely qualifying in nature and selection to the post of JRFs will be purely based on performance in the interview.

Those candidates willing to apply for N-JET (NESAC JRF Eligibility Test) shall see detailed JRF advertisement (no NESAC/RMT-JRF/11.4(VII)/2016) uploaded on our website: www.nesac.gov.in
